Operating Support and Housing Development Grant Program *2022 Grant Application*

Grant Overview

The Community Development Collaborative (Collaborative) is comprised of a diverse group of organizations that share a belief in the value of community-based organizations as instruments of change for our neighborhoods. The Collaborative is dedicated to strengthening the capacity of Community Development Corporations (CDCs) and Community Housing Development Organizations (CHDOs), thereby developing affordable housing opportunities and pursuing neighborhood revitalization initiatives.

Consistent with the priorities and mission of the Collaborative, the Operating Support and Housing Development Grant Program will be awarded to increase the programmatic and organizational capacity of sustainable CDCs. The grant process is competitive, and awards are not automatically renewed.

The maximum grant award is \$75,000. Grant dollars may not be used to fund direct construction activities; i.e. physical improvements to real estate or real estate development projects.

The submittal deadline is Wednesday, October 20, 2021 at 4:00pm. Late application submissions will not be considered. Please submit your application via email and direct any questions to: Brandie Hancock | brandie@hztrust.org
